Citation was served according to law and duly filed with the Clerk of the Court. The Court has read the pleadings and the papers on file, and is of the opinion that the allegations of Plaintiff's petition have been admitted. The Court renders judgment in favor of the Plaintiff and against the named Defendants on all claims. The Court finds that shares owned by the named

Defendants were obtained unlawfully and without consideration. Accordingly all certificates representing shares of **CMKM** common stock as set out in Exhibit "F" attached to Plaintiff's Motion For Default Judgment are hereby cancelled.

The Court further orders that a hearing be convened for purpose of awarding damages on Plaintiff's unliquidated claims.

Signed on March 25, 2010.
