Kevin,

Thank you for your clarification of position maintained with the Company, to wit: CMKM DIAMONDS, INC. I am sure you can appreciate the lengthy timeframe for preparation of response and/or interpleader with the United States District Court, Las Vegas, Nevada. I have and after countless hours fashioned what I believe to be an accurate and appropriate response to specific issue(s), to wit: ONE, 45 million share certificate and determination of rightful/beneficial owner(s) thereof and in what pro rata amount/ratio/etc and, TWO, what, if any, amount of same share(s) may be segregated for immediate and unrestricted sale thereof and for payment to secured creditors responsible for maintaining the integrity of good-will and trade-able security (ENTOURAGE) in, now what appears to be, an allegedly-defunct company. And, likewise and potentially, falling under the guise of Safe Harbor!!! I will keep you advised of this and as we proceed forward. I am scheduled to finalize the original and pled documentation/information along with attached exhibit(s). I am extremely pleased with the current product and am hopeful and desirous of having filed NO LATER than Friday of this week and at or before close of same business day.

As is always the case, I am always available and at anytime to service you and the Company. It has been a very long and tedious affair, however, I am very optimistic in the success and good fortune of same matter and even though a result can and has never been guaranteed and premised primarily-upon rules governing attorney-client communication and confidence and, further, professional responsibility therein/therewith. I will await your future correspondence and responsiveness to instant e-mail. I hope all is well for you and the family. Also, additional cases are circulating and have required a great amount of my attention and the attention of my firm. I remain,

Very Truly Yours,

John T. Moran, III, ESQ.
